# APPLICATION FOR ANGUILLA ENTRY CLEARANCE

This form must be accompanied by the appropriate fee and two passport sized photographs  
Entry clearance fees are non-refundable.

*A separate form should be completed by every person intending to travel. Please read the following notes carefully before you fill in this form: More information may be obtained from the Chief Immigration Officer, Anguilla.*

This form is also to be used for an application for a certificate of entitlement confirming the right of abode.

- A An entry clearance is a Visa, Entry Certification or Letter of Consent.
- B The Holder of a valid entry clearance will not be refused leave to enter Anguilla unless the Immigration Officer is satisfied that:-
  - (a) the entry clearance was obtained by false representations or by concealment of material facts, whether or not to the applicant's knowledge (if you are in doubt whether a particular matter of fact is relevant to your case you should ask the entry clearance officer when you apply); or
  - (b) a change of circumstances since issue has removed the basis of the holder's claim to admission; or
  - (c) refusal is justified on the grounds of restricted returnability, medical grounds, criminal record, because the holder is subject to a deportation order or because exclusion would be conducive to the public good
- C If you intend to stay in Anguilla longer than 6 months you may be required to undergo a medical examination before an entry clearance is issued . The issue of an entry clearance does not exempt the holder from being medically examined at the port of entry to Anguilla, if this is considered necessary.
